Correction to: Central European Journal of Public Health 2022; 30 (2): 86–92
<https://doi.org/10.21101/cejph.a6923>

The authors regret that the above article contained a number of errors. Amendments and corrections are listed below.

Page 87 – section Materials and Methods, the wording of the first sentence of the Sample paragraph is now as follows:

We used data from the European Men Who Have Sex With Men Internet Survey (EMIS) 2017, an online survey conducted in 2017 in 50 countries, including Czechia (41).

Page 91 – the wording of the Acknowledgements paragraph is amended as follows:

Funding

This research was supported by the Czech Science Foundation within the project GA CR P407 n. 19-14801S “Minority stress in non-heterosexuals in the Czech Republic”.

EMIS-2017 was carried out as part of ESTICOM, under the service contract 2015 71 01 with The Consumers, Health, Agriculture and Food Executive Agency (Chafea), acting under powers delegated by the Commission of the European Union. The contract arises from the Call for tender No Chafea/2015/Health/38.

Acknowledgements

We begin by thanking all of the men who took part in EMIS-2017. EMIS-2017 was coordinated by Sigma Research at the London School of Hygiene and Tropical Medicine (LSHTM) in association with the Robert Koch Institute (RKI) in Berlin. EMIS core team @ Sigma Research (LSHTM): Dr Axel J. Schmidt, Dr Ford Hickson; David Reid, and Peter Weatherburn; in association with Dr Ulrich Marcus and Susanne B. Schink @ RKI. Europe: PlanetRomeo, European AIDS Treatment Group (EATG), Eurasian Coalition on Male Health (ECOM), European Centre for Disease Prevention and Control (ECDC), European Monitoring Centre for Drugs & Drug Addiction (EMCDDA), European Commission (DG SANTE). CZ: AIDS pomoc, National Institute of Public Health, Tereza Zvolška.
